

HIGHFIELDS SCHOOL

Provider Access Policy

BOUNDARY WAY, PENN, WOLVERHAMPTON, WV4 4NT
Telephone: 01902 556530 Fax: 01902 556531 E-mail: enquiries@hswv.co.uk Website: www.hswv.co.uk

Rationale

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact our named Careers Leader:

Mr Phil Rose
Careers & Business Links Manager
Telephone: 01902 556530
Email:prose@hswv.co.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to students and/or their Parents/Carers. Please see the Highfields School Careers Programme overview (Appendix 1) to find more about opportunities offered to our young people and speak to our Careers & Business Links Manager to identify the most suitable opportunity for you.

Premises and facilities

The school will make the building, including classrooms or private meeting rooms, available for discussions between the provider and students, as appropriate to the activity. The school will also make available Audio Visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers & Business Links Manager.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian. The Resource Centre is available to all students at lunch, break times or after school.

Safeguarding

All visitors to our school should be aware of their Safeguarding responsibilities and work within the guidance as laid out in the school policy on safeguarding.

Date for Review

Autumn Term 2019
