

WAR & CONFLICT

HIGHFIELDS SCHOOL

EVOKE Art Gallery presents an exhibition of contemporary visual art based on the theme:

WAR&CONFLICT

Evoke presents its latest exhibition 'War & Conflict', a display of visual art designed to explore the wide effects of both war and the differing forms of conflict afflicting the contemporary individual and society.

'War & Conflict' is inspired by the centenary of the start of WW1 and will feature pieces by professional regional visual artists, including Kurt Hickson and Tony Blood, who each offer intelligent and unique interpretations of the theme.

EVOKE gallery is dedicated to the discovery and promotion of emerging and professional artists. We aim to exhibit thought-provoking and engaging visual art pieces of the highest quality, which will elicit a strong emotional response in our visitors and provoke debate.

Evoke is pledged to the creation of unique and innovative exhibitions, to never shy away from experimentation, and to promote the value of visual art in a variety of mediums. Our goals are to act as a bridge between the artist and the public and to encourage in our visitors a lifelong love affair with the visual arts.
